

Sage for Construction

# Construction Accounting and Operations Solutions

Trusted by builders like you for over 50 years. See why more than 50,000 companies have relied on Sage to manage projects, bids, and sub-contractors with the most innovative solutions in the industry

Sage for Construction and Real Estate delivers the only financial management solutions that pair more than 50 years of construction experience with the largest partner network in the industry. Sage offers a complete portfolio of solutions for pre-construction, finance, and operations, plus integrations with other industry software such as Procore, TimberScan, GC Pay, and more to provide the versatility and visibility needed to work more efficiently, scale your business, and improve project performance. And, with on-demand job costing, integrated payroll, reports, and automation, Sage construction solutions are helping customers drive up to 25% increased profit.

### See what our customers are saying:

“Sage Intacct Construction streamlines processes so with the time you gain back, you can actually look at the data, understand it, and make fact-based decisions, which is the most important aspect.”

**Angelia Ryan**, Chief Financial Officer, Airo Mechanical

“It’s really nice for us to be able to log in and instantly search for whatever you need. Now we have 40 bank accounts, all of which are linked, in real-time. All the transactions come over daily. What’s really nice about it is, we actually can have real-time, daily, cash understanding.”

**Thomas Cochran**, CFO, Orion Companies

“Sage is our platform for growth, It’s providing us with vastly improved accuracy, control, workflows, and collaboration.”

**Chris Herak**, Director of Finance, VFS Fire and Security Services

**#1 Project-based ERP Software, G2, Winter 2023**  
**Easiest to use Project-based ERP, G2, Winter 2023**

**Top-Rated ERP Systems, Trust Radius, 2022**

**Sage Intacct is the first and only preferred provider of the AICPA**

**Sage Intacct for Construction is one of Constructech's top products for 2023**

**Sage is one of Construction Executive's top technology firms**

Manage all your project operations from one platform with real-time data so you can make quick and informed decisions.
